Even with the 8 inches of horn she broke off at a young age, we have nothing but great things to say about this cow. Betty is a spitting Image of her dam, the great Betty Zane owned by G3 Longhorns, who have built a large portion of there incredible program around. This girl breeds back right away and has taken every time we've Ai'd her on the first try with sexed semen. She's only ever had heifer babies for us and we will be retaining her last two

**Total Horn:** 86.0000 on 11/19/2022
